

## **WELCOME BACK TO INDOOR WORSHIP!**

We are thankful to be re-opening our doors this coming Sunday, April 11th at 10AM.

Virtual worship via Facebook and YouTube will also continue as an option for those who are not able or comfortable attending in person so that everyone has the opportunity to worship with us. In addition, we will continue to broadcast on 88.5 to those who are close enough to receive the signal.

**\*Please let an usher or greeter know if you may not be broadcast on the livestream and recording of the service. They will help you to find a seat where you will not be on camera.**

As COVID-19 is still very much a reality the following precautions will be implemented to ensure the health and safety of our congregation:

- If you are unwell or have been exposed to someone who is ill, please stay home and join us virtually.
- Masks will be required to enter the building. Extra masks will be available for those who do not have their own or for visitors.
- Hand sanitizer will be available in a variety of locations and should be used upon entering.
- Ushers and greeters will be present to welcome you but will be physically distancing.
- Offering plates will not be passed so we encourage you to place your offering in the plate upon entering the sanctuary.
- Bulletins will be available, or you may print your own bulletins or follow along on devices.
- To encourage physical distancing, pews will be blocked off and families will sit together. Children will remain with parents throughout the service. Busy bags will be available for kids.
- **For now, we are asking folks to keep masks on and sing “gently” during the hymns.**
- Communion elements - self-contained (prepackaged) elements will be provided. You may bring your own elements with you if you would prefer.
- Coffee Hour, Sunday School, Children’s Church, and childcare will not be available at this time.
- Bottled water will be available if needed.

Thank you in advance for attending in-person worship prepared to follow these guidelines.
